

SIEMENS MACHINE TOOL- ADVANCED MOTION CONTROL & AUTOMATION INTEGRATION

*Accelerating Digital Manufacturing with
Advance Motion Control , Robotic & Digital Engineering*

SEMINAR HIGHLIGHTS

- 01 What's New in Siemens Motion Control Technologies
- 02 SINUMERIK 828D Smart System
- 03 Senseye Predictive Maintenance
- 04 Smart Factory Integration: Güdel Linear Motion & AUTONOX Robotics
- 05 SIMATIC PLC Solutions for System Integrators: From Engineering to Advanced Automation
- 06 Live Demo at Booth & Networking

Tuesday, 22nd September 2026

Holiday Inn & Suites Penang Prai by IHG
